

Hi

Your Nineveh Trust donation has made a huge difference to our charity group.

The money was used to purchase Nineveh Misty horse for use in our sessions. She is able to carry larger riders.

She's such a sweet and lovely horse who is so understanding of our individual rider needs and has helped us so much.

We also paid the arena hire for 5hrs per week for the full year so reducing our overheads allowing us to offer more sessions to disabled adults and children and for anyone who would benefit for any therapy sessions to improve their quality of life and health.

we have increased our numbers from 20 each week to now 40 each week.

Our next wish list is to expand to offer sessions during the week also so more people can have the opportunity to attend our sessions.

We are passionate to help make a difference and also give the families our support and somewhere to attend each week in a safe warm and friendly environment. Again we can not thank you enough for your kindness and support as we really appreciate it.

Please find attached some pictures of Nineveh Misty or Misty Moo her stable name.

Kind regards Karen Bullock chair/Instructor of Snydale RDA Group.
