23rd July 2019

Dear Robert,

Re: MYLIFE Skills Academy, Canterbury Oast Trust

With the support of the Nineveh Charitable Trust we were able to open the doors to our new MYLIFE Skills Academy for adults with a learning disability in September 2018 – and we remain extremely grateful to you for helping to make our new Academy a reality.

It is with great pleasure, therefore, that I write to tell you that the Academy has just won "Best Construction Project" of 2019 at the Kent Excellence in Business Awards! Winning projects were not only judged on build quality but also required to demonstrate positive community impact, sustainability and efficient use of funding.

Its excellence in construction is reflected throughout the training services we are now able to deliver within this specialised learning environment. Student numbers continue to grow in response to the need for our carefully designed curriculum – focussed on developing the skills to live a confident, independent life.

We wanted to share this news with you and to thank you, once again, for your belief and support of our MYLIFE Skills Academy.

My very best wishes.

Joanne Creighton
Chief Executive
