

Dear Sally,

Thank you again for your contribution towards the maintenance and regeneration of the Mount Farm Way pond. Your support has been much appreciated and enabled us as a community group to move our project forward and have a positive impact on the environment and wildlife moving forward.

I have copied below an e mail from the contractor on completion of the work and the images he provided showing the pond before and after the works. The area is hugely improved and it no longer looks unloved and neglected.

Thank you again, if you require any additional information please do not hesitate to ask.

Kind regards

Jo Evans
Chair, Mount Farm Way Pond.
