

Dear Mike,

I hope all is well.

I have just finished the last of x350 birdboxes completed during lockdown. Thank you so much for funding the x200 for Borders primary schools and along the Tweed.

I also made x150 to raise £1532 for NHS Borders.

We should be able to start distributing the schools boxes within the next few weeks/when conditions allow.

Thanks very much again for all your support.

Best,

Tom Rawson

PS: Attached are a couple of pics of my youngest son (Lochie, 4) and I with the finished stack of x200 boxes. His expression says it all!
