Questionnaire

Tell us about yourselves

The Collingwood Foundation is the fund raising arm of Collingwood School and Media Arts College. We raise funding to provide resources and opportunities for the pupils and students of Collingwood School

Tell us about the Funds

- Has the project we helped to fund been completed? If so, how is it maintained?

Yes the project that the Nineveh Charitable Trust provided has been completed. The manager of Clark's Nature reserve hired a track dumper and dug out a new pond on the reserve.

- If not completed yet, why not? Are plans in place to finalise the project?

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds provided were just right. We have enough to hire the digger and to buy a camp fire stove for the pupils to keep warm at the reserve

- How were any surplus funds used, or was further funding made available?

Tell us about the project

- Has the project been successful and well received by the beneficiaries?

The project has been very well received. The pond has already had new wildlife visiting the reserve so the hope is that more wildlife will come.

www.ninevehtrust.org.uk

Are you satisfied with the outcome, or, with hindsight, would some modifications have been appropriate?

The outcome is very satisfactory. The pond has been visited by a Little Grebe which has never before been on the reserve.

- Was funding for this project made available from any other sources?

The funding for the pond was only asked for from the Nineveh Trust however we have asked for more funding for the reserve to upgrade and improve the visitors centre

Feedback about us

- How did you find our own process of selection and payment?

The process of selection was a little confusing as I received an email saying that my application had been rejected and then another email saying that my application had been successful. The payment was extremely quick though.

- Have you considered providing us with an update on the activities for which our Trust provided the funding?

I thought it might be better for you to view the blog that is written by the manager of the nature reserve - <https://petesbogblog.com/2020/12/10/little-visitor-to-new-pond/>

- Would you welcome a visit by our Trustees?

Yes we would welcome a visit by the Trustees

- Have you any other comments?

We are going to try and amend the blog post to recognise the funding from the Trust.

We are very grateful for the support of the Trust.

- This questionnaire is part of our due diligence, obtaining feedback to help us, and we are grateful for your input – please return the questionnaire as soon as possible.
