Saint Stephen's Church, £4000, February 2021

**Tell us about the Funds**

- Has the project we helped to fund been completed? If so, how is it maintained?

The garden project is up and running with a part-time leader in place. It is an ongoing project, with other funding helping with ongoing costs, as well as the generous donation from Nineveh.

- If not completed yet, why not? Are plans in place to finalise the project?

We hope the project will continue for a long time to come, to benefit the whole community here.

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds are part of the garden leader's salary, with other funders also contributing to this.

- How were any surplus funds used, or was further funding made available?

There were no surplus funds, but we are very grateful for Nineveh's contribution.

**Tell us about the project**

- Has the project been successful and well received by the beneficiaries?

The people who have visited us so far have enjoyed their time in the garden and look forward to being part of future developments.

Are you satisfied with the outcome, or, with hindsight, would some modifications have been appropriate?

We are satisfied with the outcome so far, and are continuing with the project.

- Was funding for this project made available from any other sources?

Funding was also received from a number of additional sources, some for clearing and landscaping the garden, some for equipment and tools, and some towards the garden leader salary.

## garden@lifestreams

The garden@lifestreams is now open Monday to Friday from 10am to 2pm, and the whole community is welcome to pop along for tea/coffee and to become part of this exciting growing project. The garden project leader, Dawn Gilbert, can give you a glimpse of what it is like with a short video at....<https://youtu.be/S0Q8pCikKyM>

Visitors receive a warm welcome and enjoy their time here, whether they want to work in the garden or relax with a hot drink and chat to others. In the summer holidays, we invited local children to come and have fun here, with garden-related crafts and activities, which they enjoyed.

We are truly grateful to all our supporters who have made this possible. Thank you!
