Tell us about yourselves (Charity Name, Donation Amount and Date of Donation)

Vision of Adventure, £4620, Feb 2019

Tell us about the Funds

- Has the project we helped to fund been completed? If so, how is it maintained?

Yes the admin support funded by you enabled us to have a really successful first season of operation. The year of funding ended just as the pandemic began. Our admin assistant left to work increased hours at her other job to assist the covid response.

- If not completed yet, why not? Are plans in place to finalise the project?

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds were exactly what we needed

- How were any surplus funds used, or was further funding made available?

Tell us about the project

- Has the project been successful and well received by the beneficiaries?

As a new charity we could not have had a better first year. Report attached

www.ninevehtrust.org.uk

Are you satisfied with the outcome, or, with hindsight, would some modifications have been appropriate?

This was just what we needed at the time. We are very happy with how the year went, the pandemic began just as we finished our first year so things have been very challenging since.

- Was funding for this project made available from any other sources?

Our admin support was funded entirely by the Nineveh Trust. We were supported in other ways by other Trusts, the Lottery and our own fundraising efforts.

Feedback about us

- How did you find our own process of selection and payment?

Great. You are very clear about the values and priorities of your Trustees and your grants awarded page illustrates well the sort of projects you fund.

- Have you considered providing us with an update on the activities for which our Trust provided the funding?

To be honest, with all the problems caused by Covid I have, until now, just been “fire-fighting” and prioritizing putting on some services for our participants. It is only now that I have a little space to try to catch up on things that have been neglected.

- Would you welcome a visit by our Trustees?

We would be delighted to welcome your trustees to see first hand what we do. We are really proud of what we do and the achievements of our participants. It’s really hard to put down on paper seeing things in action would be great.

- Have you any other comments?

I know you are probably really busy but if you have time, take a look at the video that we made after our first season. <https://visionofadventure.org/video-year-one/> is only about 9min long and hopefully shows some of the feel and passion involved in what we are doing.

I can’t say strongly enough how grateful we all are that Trusts like yourselves had the faith in us to support us right from the beginning of our journey, We think we have done justice to that faith, and hope your trustees will too.

Many thanks
Jill Corso
